

## Welcome to the American Road Magazine Index

The Index covers all articles from issue 1 (Summer 2003) through Issue 25 (Summer 2009)

For each article, information is provided to identify the Route (name or number), Highway, Endpoint Cities, Endpoint States, Magazine Department, Issue, Page and Author

Four different index sorts are provided: by Issue, by Department, by Route, & by Author

Expand the "Bookmarks" tab to the left and click the links for the sorting you desire

The Index will be updated with each new issue

We wish you a happy and safe journey as you travel America's roads & highways
